

19 August 1950

off

STAT

Your letter of 18 August 1950 was most interesting and I should like very much to hear your observations. However, as you know, I am leaving CIA and I suggest that you wait until the arrival of General Smith about 1 October 1950 and explain them to him, as he will be in a position to do something about them if he deems it appropriate.

With best wishes, believe me,

Sincerely,

signed
